List of Publications

Published Books

Submitted Papers

[41] Bicrossed descent theory of exact factorizations and the number of types of groups of finite order, arXiv:1204.1805 (with A.L. Agore)

Published Papers

[32] Bicrossed product for finite groups, Algebras and Representation Theory, 12(2009), 481-488 (with A.L. Agore, A. Chirvasut si B. Ion.)

(AJSE), 33(2008), 1-17 (with A.L. Agore)

PhD thesis Transfer of properties in noncommutative algebra and applications to graded rings theory, University of Bucharest, October 1994
